

## Comfy Scarf Knitting Pattern

Copyright [simple-knitting.com](http://simple-knitting.com)

### Skills Required

Knit  
Purl  
Cast On  
Bind Off

**Needles** Size 15 US (10.0 mm)

### Gauge

2.5 sts per inch (Gauge not too important)

### Materials

Super Bulky Yarn Approx. 300 yards

### Size

Approximately 10 X 70 inches

---

**Notes:** This is such a big, warm, squishy scarf and it's big enough to wrap around your shoulders. However if you'd like to make it thinner you can cut down the number of stitches to cast on to 15 and it won't interfere with the stitch pattern. Your scarf will be about 6 or 7 inches wide instead. This way the pattern is more versatile to your needs and what you like. Happy Knitting!

**\*\*And one more quick note.** To create a nice clean edge *slip the first stitch as if to purl with yarn in back and knit the last stitch* on every row.

Using your preferred cast on method, I used the long tail, cast on 24 sts.

Knit 5 rows in Garter stitch.

Continue as follows in stitch pattern:

Row 1: Knit

Row 2: Purl

Row 3 – 8: Knit

Continue in stitch pattern until you reach 70 inches or the length you want. Make sure to finish at the end of the stitch pattern. That way you'll have three garter stitch ridges (rows) at the beginning and end of your scarf.

**Finish:** Weave in ends. You can add tassels or even pom poms to the corners if you like.

Enjoy
