Gauge: 2.5 = 1 inch

Materials: Bulky weight yarn and straight or circular knitting needles size US 13 (9 mm)

Size: To fit adult head circumference of approximately 20 – 23 inches. It's quite stretchy

Notes: I used two colours for my pony tail hat but you can use one if you like. This is a quick knit hat pattern and can be done in a couple of hours which means you can knit up a whole bunch of these hats in different colors.

Ponytail Hat Instructions

With contrasting colour and using stretchy cast on of your choice, I used the long tail, cast on 54 sts and work 4 rows of ribbing, K2, P2

Switch to main color and knit as follows:

Rows 1 and 3: Knit

Row 2: Purl

Row 4: P1, *K2, P1, repeat from * to end of row

Work pattern rows 1 – 4 until your work is approximately 8.5 inches from beginning.

Switch back to contrasting color and continue as follows:

Row 1: K2, P2 to end

Row 2: Eyelet Row: *K2, yo, P2tog, repeat from * to end

Knit 2 more rows of ribbing and bind off loosely.

Finish: Seam up back.

There's a couple of ways you can make up a tie for the top of the hat. Either make an I-Cord tie or you can simply crochet a chain or even use a nice ribbon. Make it long enough to weave through the holes at the top of the hat and cinch it closed.

Add pom poms if you wish or even beads to make it pretty, weave in the ends and you're finished knitting your pony tail hat and knitted hat all in one.
